

2024 Indian Days
Parade Float Entry Form

Theme: Honoring our Leaders of the Past:

This year the Quechan Indian Tribe Events Committee has designated this year’s Indian Days theme as “Honoring our Leaders of the Past”. This theme holds deep significance for our tribe as we reflect on the contributions of those who have paved the way for our community and culture. Many of these leaders are no longer with us, and though we may never get the chance to fully celebrate each of them individually, their enduring legacies continue to guide and strengthen us.

Through their leadership, wisdom, and dedication, these past leaders helped shape the foundation of our tribe. It is with great reverence that we come together to remember and honor them, acknowledging that the path we walk today was made possible by their sacrifices and efforts.

Indian Days this year will not only be a celebration of our heritage but a reminder of the deep gratitude we owe to those who came before us. We invite everyone to reflect on the lasting impact of these individuals, whose influence will forever be woven into the fabric of the Quechan Indian Tribe.

Thank you for being a part of this important occasion as we honor the past and celebrate the present.
