# QUECHAN INNOVATORS:

Tech & Entrepreneurship  
WORKSHOP

OCT 11 10:30AM-3PM

Join us for an exciting and empowering workshop designed specifically for Quechan youth, focusing on the intersection of entrepreneurship and technology. This workshop will provide essential tools and knowledge to kickstart your entrepreneurial journey while staying connected to your cultural roots.

## What You'll Learn:

- **Business Start-up 101:** Learn the basics of starting a business, including choosing the right legal structure.
- **Business Model Canvas:** Map out your idea and turn it into a solid business plan.
- **Business Budgeting:** Create a budget that supports your goals and growth.
- **Elevator Pitch:** Craft a quick, powerful pitch to share your business vision.

**Keynote Speakers:** Inspirational leaders from the Reservation will share their experiences, highlighting the importance of technology in business and the role of entrepreneurship in empowering Quechan members.
