MEMORANDUM

TO: Quechan Tribal Community Members

FROM: Quechan Pesticide Control Office-CP

DATE: September 11, 2026

SUBJECT: Increased Pesticide Applications – How I Can Help

Dear Community Members,

With the pesticide applications occurring on the Reservation in the coming weeks. These applications are being conducted by our local farmers. The **Quechan Pesticide Control Office** is the office that regulates and oversees all pesticide use to ensure it is done safely and according to the law.

I am Here to Help

If you have any concerns about pesticide, use near your home, please call the office. Inquiries can be:

- **Spray drifting** onto your property
- **Misuse** of pesticides
- **Spraying** when the wind exceed 12 miles per hour
- **Any health or safety concern** related to pesticides

Why Your Call Matters

If you see something, say something. Your call can help protect our community and our land.
